## 4<sup>th</sup> Annual Fall Frolic

The 4<sup>th</sup> Annual CHAPS Fall Frolic was another big success!  
This is our biggest fundraiser and it was a Family Fun day for all!

A few highlights from the day included:

- Demonstrations by Ann Dake, Executive Director of CHAPS
- Rhia the Painting/Trick Horse and Derrick Dupler
- Pony & hay rides, pumpkin and face painting, petting zoo, rodeo games and much more
- Attendance exceeded more than 1,000 people

This year's event had proceeds of \$30,000 through event sponsorships, ticket sales, donations, bucket raffle, silent and live auctions. These proceeds will go directly to off set costs for services provided by CHAPS for families unable to pay.

The dedication from the volunteers, the gifts from the donors, sponsorships or anyone that has helped in any way has gone to make a direct impact on those we serve to achieve on going productivity and success within their home, at school, and at work and in the community. We need people like you to help make this difference in our communities. Again, we thank you from the bottom of our hearts for all your help!

### Rhia The Trick Horse Sponsor

### Gift Bag Sponsor

### Platinum Sponsor

Tim & Betty Kaczkowski
